

Sharif Tsang

2405-657 Whiting Way
Coquitlam, V3J 0J6
(604) 307-3558
sharif.ck.tsang@gmail.com

FIELD OF INTEREST

My main field of interest is web development. But I am also keen on further developing my photography/Photoshop and graphic design skills. I believe that understanding and utilizing the concepts behind UI/UX would help me further my career and would make working with others much easier.
